Lowell Community Health Center

Welcome Bienvenidos Bem Vindos Chào Mừng ភ្ញាក់មន្ត

WELCOME

Lowell Community Health Center provides comprehensive health care for people of all ages in the Greater Lowell area. We are committed to providing the highest quality care to our patients. Lowell Community Health Center offers all the services commonly found in a physician's office, as well as laboratory, nutrition, and social services, and community education programs. LCHC's multi-lingual and multi-cultural staff is dedicated to serving your health and wellness needs.

BECOMING A PATIENT

The Lowell Community Health Center has a caring and qualified staff comprised of Physicians, Physician Assistants, and Nurse Practitioners. You may schedule an appointment and choose a primary care provider by either walking into one of our sites or by calling 978-937-9700 for assistance (TTY 978-452-4774).

FEES

Private insurance, Medicaid and Medicare cover most services of the Lowell Community Health Center. However, if you do not have insurance, or you are underinsured, LCHC offers a sliding fee scale or free care based on income and family size. Staff are available to counsel you regarding eligibility for financial assistance. No patient will be denied medical care because of inability to pay.

LCHC also accepts many private insurances such as Aetna, Blue Cross, Fallon, Harvard Pilgrim, and Tufts.
